Message from the Principal

Our School’s Goal is to exceed 95% Attendance.

At Delaneys Creek school staff, parents and students value the high quality education programs we offer to students. I have outlined our attendance figures for the past 5 school days, which indicate our students find their learning environment stimulating, enjoyable and nurturing.

Week 6 - Thurs 99.3% Fri 93.3% Week 7 - Mon 95.3% Tue 97.4% Wed 97.4%

We are aiming for 0% Unexplained Absences, and I thank you for contacting the school through the school absence line or sending in a written note when your child is absent.

Nationally Collection of Data on School Students with Disability

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability. All Australian schools participate in this annual data collection. The data provided to the Australian Government is aggregated data only. While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know.

Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

Please remember data gathered cannot identify your child however, if you do not wish for your child’s details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly. Thank you

Yours in Education, Anita Judge, Principal

UNDER 8s Friday 27th May 2016
Today Delaneys Creek State School celebrated “Under Eights Day. I declare it to have been a success with a fun filled morning in the Prep room celebrating diversity of learning in children under eight.

Parents from our wider school community joined our Prep to Year 3 students to the craft activities, parachute fun, face-painting and storytelling.
We thank our local council member Mr Adrian Raedel, Local Police and Fire Brigade for attending and supporting this wonderful event.

Health Check Day
FREE health check day for kids! Open to children from prep to year 12.
Where: QUT Caboolture Campus
When: 9.30am–2.30pm on Wednesday 29 June 2016

Cow Pat Lotto
Woodford Show Friday 17 June & Saturday 18 June.
Buy a coloured square for $2 for a chance to win $100.

All families have been allocated a book of tickets to sell.
Please return these to the P & C post box on the office door by the 10th June.

The winner will be determined when the cow pat is deposited in the allocated area on 18th June 2016.

Order Jumpers Now at The Uniform Shop
Please make sure your child/ren are not caught out by not having a warm jumper this winter.

Our uniform policy allows students to wear an official school jumper or a plain 100% green jumper (no sponsorship, white bands, ticks etc. – plain green only).
Other colour variations are not acceptable at our school.

Green track pants are also acceptable but NO jeans. Also a reminder – if you are purchasing new school shoes the school uniform policy states shoes are to be black.

Pavers Wanted
A big thank you to Mr Tye Jackson for bringing in pavers for our sheep enclosure. This was a generous donation and the school appreciates the support from our parents and local community members.

Tim Smith, Year 6 Teacher

Student Council “DRESS FOR ORIGIN DAY”
On Tuesday June 21, Student Council will be fundraising for $2. Students will be able to wear Maroon, Blue or Purple to support their football team.

Tuckshop
Thank you for all the cans community members have bought into school. These can will be crushed and transported to the depot. By delivering these ourselves we receive maximise refund for our recycling.
Please continue to support this worthy cause. All funds raised will be donated towards the Sheep Feed.

Thanks Kel and Shae

**Your Say, Moreton Bay - University campus site**
Do you want to help shape the future of a major new employment and education destination for our whole region?

Council and the University of the Sunshine Coast have partnered to deliver a new university campus at the former Petrie paper mill site, catering for up to 10,000 students. This new thriving precinct will generate thousands of local study and job opportunities for local residents - just like you.

In addition to the university - council is seeking your ideas to help develop a concept plan for the entire precinct that could include additional employment, housing, sport and recreation, health and community uses on the site.

To have your say, simply register your details and fill out the online survey at [www.moretonbay.qld.gov.au/uniprecinct](http://www.moretonbay.qld.gov.au/uniprecinct) or visit an information kiosk at council’s customer service centres in Caboolture, Strathpine and Redcliffe until 31 May 2016.

Open Days will also be held on Sunday 22 and Saturday 28 May 2016 at Petrie State School Hall at 42 Dayboro Road (access via Young St) between 10am and 2pm.

**Chappy Week**
Chappy Lisa has become a very valuable part of our school community with many of our children relying on the services that she provides.

Some of the activities/support services that Chappy organises include academic support; emotional support for students and parents; lunch time games and craft activities and general student welfare.

Last week we celebrated Chappy Week. During the week, Chappy Lisa celebrated her time at our school by organising Minute to Win it games for students during lunch periods including a fun run around the oval where students can show off their socks.

On behalf of all our staff and students, Lisa we appreciate your efforts each and every week.
Our next comprehension strategy we are introducing to our students is Questioning. Good readers are able to ask and answer different types of questions before, during and after reading.

Encouraging students to ‘say aloud’ concepts and ideas they are wondering about, assists them in developing an understanding of what they are reading. It is important for students’ comprehension to identify what it says in the text to answer their questions.

The different types of questions students are encouraged to ask and answer are outlined on the QAR bookmark. Teachers and students will be using the question prompts on the QAR bookmark as well as the question starters above.
