Geography

How do we care for special places?
In this unit students will investigate the inquiry questions identified from the Australian Curriculum: Geography.

- What makes a place special?
- How can we look after the places we live in?

Date claimers for the year

31/08/16 Excursion to Stanley River for a Bunyip Hunt
08/12/16 School concert

DELANEYS CREEK STATE SCHOOL
Mt Mee Road, D'Aguilar QLD 4514
Ph: 54346333 v Fax: 54964824
Email: the.principal@delacreess.eq.edu.au
Website: www.delacreess.eq.edu.au

Term 3
In Prep 2016

Dare to believe and achieve.
Maths

Students will compare quantities, equalise quantities, combine small collections, represent addition situations, identify parts and the whole, partition quantities flexibly, share collections, identify equal parts of a whole. Students will order days.

English

In this unit, students will listen to, view and interpret a range of multimodal texts, including poetry and rhymes, to develop an understanding of sound and letter knowledge and a range of language features. Students will create a rhyming verse and recite it to a familiar audience.

Science

Weather watch
In this unit students will use their senses to observe the weather and learn that we can record our observations using symbols. Students explore the daily and seasonal changes in the local environment and understand that weather conditions are not the same for everyone.

History

In this unit students will investigate the following questions:
• What stories do other people tell about the past?
• How can stories of the past be told and shared?
