

Investing for Success

Under this agreement for 2022
Delaneys Creek State School will receive

\$87,626*

This funding will be used to

- Provide teachers with observation/feedback, mentoring/coaching.
- Allow teachers to participate in the full moderation cycle with particular emphasis on the Collaborative Assessment of Student Work and Case Management of student work.
- Commence building teacher knowledge and understanding of the general capabilities and cross-curriculum priorities and how they are embedded in learning.
- Strengthen the consistency of the implementation of identified effective pedagogical practices and high impact teaching strategies.
- Strengthen the use of formative data to identify ways to provide feedback to students on their learning and inform changes in pedagogy.

Our initiatives include

- Developing teacher knowledge and understanding of the P-12 Australian Curriculum Content Descriptions and Achievement Standards through refining and embedding processes for robust intra-school and inter-school moderation.
- Providing targeted professional development and coaching to deepen teachers' understandings of the delivery of the Australian Curriculum and assisting them to make connections between subject areas.
- Continue to build capability and schoolwide consistency around 'data literacy' to support teachers and leadership teams to effectively use data to inform targeted teaching and next steps in learning.
- Consolidate a whole school approach to differentiated teaching and learning, which includes collaborative assessment of student work samples, individual student case management and intensive support systems.
- Refine teacher capability and pedagogy to provide a whole school approach to differentiated teaching and learning, through collegial discussions, coach, learning walks and Professional Development Plans.
- Providing focussed and intensive teaching for students requiring additional support to demonstrate achievement against the year level achievement standards.

Our school will improve student outcomes by

Purchasing additional Speech Pathologist hours to support early intervention.	\$8,700
